From the President...

Dear Shelters Family,

I would like to start off by wishing you a wonderful Happy Passover/Hag Sameach, surrounded by your nearest and dearest.

I am VERY pleased to say that Dave Jackson has agreed to become co-President with me this upcoming year starting in June!!! His dynamism, love and devotion to Israel and Shelters for Israel, will be very appreciated

and will certainly move 'Shelters' forward to accomplish even greater things!

We continue to be so moved by your support and generosity towards our projects. As you know, we have completed fundraising for the Shelters for Israel Desert Shanti Village for At-Risk Youth Dormitory/Workshop Building within the soon to be built Education Center. As always, they are looking for naming sponsors for other buildings within this worthwhile project so keep that in mind.

We will be announcing our new projects in the next Reporter and you will also get more detailed information when the invitations for our annual luncheon come out. Please save the date: Sunday, September 10, 2017.

We have been so heartened to see more and more 2nd and 3rd generation, and even 4th, get inspired by 'Shelters.' We hope we can continue to build on this.

We are always looking for more volunteers to serve on the board and the various committees. The time commitment is very manageable and if you are interested, please let me or Dave know.

In addition, we could use more help in the planning of the upcoming luncheon in September and soliciting ads for the Tribute Journal.

As you may have noticed, we have switched to a quarterly publication for our Reporter. In general, the Reporter will go out end of December, end of March, end of June, and end of September. So, as a rule, if you wish to place an ad, do so by the first week of that month.

Once again, have wonderful holidays and we look forward to seeing you at the luncheon with your friends and family.

Passover Jokes

A group of leading medical researchers has published data indicating that Seder participants should NOT partake of both chopped liver and charoses. It seems that this combination can lead to Charoses of the Liver.

Jewish Jeopardy: We give the answer, you give the question:

A: Midrash

Q: What is a Middle East skin disease?

A: Sofer

Q: On what do Jews recline on Passover?

A: Babylon

Q: What does the rabbi do during some sermons?

A. Classroom, Passover Ceremony, Latke

Q. What is a Cheder, Seder and Tater

At our seder, we had whole wheat and bran matzoh, fortified with Metamucil.

The brand name, of course, is... "Let My People Go."

The Rabbi and the Shamos

A few days before Passover a rabbi was walking home when he noticed his shamos walking ahead of him. The rabbi hurried to catch up as he had some important matters to discuss. Much to his dismay, the rabbi saw that the shamos had entered a Chinese restaurant. The rabbi couldn't believe his eyes. He looked again and saw the shamos pointing to the menu and talking to the waiter. He looked again and saw the waiter deliver a tray of food to the shamos. Then he saw the shamos take the chop sticks and start eating a traif meal, including shrimp.

The rabbi could no longer contain himself. He burst into the restaurant and said, "Moshe, what are you doing?"

Moshe looked up and said to the rabbi, "I don't understand."

The rabbi said, "I just saw you, Moshe, my most holy shamos, with all this traif food!"

Moshe said, "Rabbi, did you see me come into this Restaurant?"

"Yes, I did," replied the Rabbi.

"Did you see me order the food?"

"Yes, I did" said the rabbi.

"Did you see me eat the food?"

"Of course I did!!! Why do you think I barged in here?"

"Well, then," said Moshe, "I don't see the problem. It was all done under rabbinical supervision!"
